BOOK SYNOPSIS

To those who matter in 1950s Hollywood, Lena Scott is the hottest rising star to hit the silver screen since Marilyn Monroe. Few know her real name is Abra. Even fewer know the price she's paid to finally feel like she's somebody. To Pastor Ezekiel Freeman, Abra will always be the little girl who stole his heart the night he found her, a wailing newborn abandoned under a bridge on the outskirts of Haven. Zeke and his son, Joshua—Abra's closest friend—watch her grow into an exotic beauty. But Zeke knows the circumstances surrounding her birth have etched scars deep in her heart, scars that leave her vulnerable to a fast-talking charmer who lures her to Tinseltown. Hollywood feels like a million miles from Haven, and naive Abra quickly learns what's expected of an ambitious girl with stars in her eyes. But fame comes at a devastating price. She has burned every bridge to get exactly what she thought she wanted. Now all she wants is a way back home. In this riveting and highly anticipated tale of temptation, grace, and unconditional love, New York Times bestselling author Francine Rivers delivers big-canvas storytelling at its very best.

BRIDGE TO HAVEN - Are you looking for Ebook Bridge To Haven? You will be glad to know that right now Bridge To Haven is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all.
